IACP STRATEGIC ENDS

1.0 IACP exists so that members enjoy an environment necessary for success as pharmacy compounding professionals. (with results optimizing return on available resources)

PRIORITY RESULTS (not reflecting any order of priority)

1.1 (ACCESS) Timely, affordable, quality-assured customized medication is available to and accessible by patients.
   1.1.1 Federal and state legislation and regulation are promulgated with patient safety and access in mind.
   1.1.2 The supply chain and regulatory framework for compounded medications is configured so that the immediate and ongoing needs of physicians and patients for compounded medications are met.
   1.1.3 Increasingly, prescription insurance programs support affordable and accessible customized medication.

1.2 (ADVOCACY) Public policy, legislation and regulation (state and federal) support the needs of pharmacy compounding professionals.
   1.2.1 IACP is seen as the leading organization representing the advocacy interests of pharmacy compounders and is viewed as an essential organization to engage on compounding issues.
   1.2.2 Policy makers, legislators and regulators seek out IACP’s perspective prior to enacting pharmacy compounding related public policies, legislation or regulations.
   1.2.3 Members and stakeholders are aware of relevant pending and enacted legislation and regulations and of IACP’s legislative and regulatory positions.
   1.2.4 The public is aware of the positive value compounding pharmacy professionals provide to the health-care system
   1.2.5 IACP generates, collects, distills and leverages data and research related to the work of its members to advance its advocacy agenda.

1.3 (KNOWLEDGE) Members have the knowledge and resources to excel in compounding pharmacy professions.
   1.3.1 Knowledge and resources provided by IACP – including best practices, regulatory compliance and state-of-the-art patient care – encourage compounding excellence.
   1.3.2 Members are recognized and valued for their knowledge and expertise.
   1.3.3 Members (and non-members) see IACP as a primary resource for sharing of knowledge and resources related to pharmacy compounding professions.

1.4 (ETHICS) Members adhere to the highest standards of ethical practice.
   1.4.1 Members subscribe to and honor the IACP Code of Ethics and demonstrate compliance with it.
   1.4.2 The public recognizes and values IACP members for their professional ethics.

1.5 (PROFESSIONAL COMMUNITY) Members engage in a robust, multi-disciplinary community of compounding pharmacy professionals.
   1.5.1 Members actively engage in exchange of ideas among compounding pharmacy professional members.
   1.5.2 Practitioners, technicians and students are empowered to be leaders in compounding pharmacy professions.
